Veneer and Laminate Options

Our veneer options feature our UV topcoat finish, UVAdvantage. The result is a low-emitting finish that provides exceptional depth, clarity, durability, and chemical resistance throughout the life of the product. 3D laminate surfaces eliminate the need for edge banding, visible seams, and special edge treatments. Our Matte White and Matte Black options are not only durable, they leave no fingerprints. The matte, soft touch finish will add a sense of luxury, beauty, and style to any interior space. Our Concrete option features a city-inspired, grey concrete surface with an embossed texture that is real to the touch and feel.
