TRADITIONAL STYLING MEETS MODERN SENSIBILITY.

Jefferson allows you to capture classic details with a variety of stately pieces to showcase a rich and distinguished history, while meeting the functional needs of modern working spaces.

With Jefferson's thoughtful options you can go fully lavish with molding details and cracked ice glass or antique brass mesh cabinet doors or keep it subtle and let the beauty of wood speak for itself. Either way you get all the must-have stylings to create your classic look.

The addition of height adjustable components gives users freedom to easily shift throughout the day, while the reception units allow you to create a seamless look from the front office to the back.

The premium veneer option on Jefferson offers a grade of veneer exceeding the general commercial market standards and meets the specifications required for government entities, such as the U.S. Army Corps of Engineers.

Jefferson is responsible too. It considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air quality and BIFMA level® certifications, and it complies with the structural standards that focus on safety and durability to meet BIFMA Compliant® certification.

Time-Honored Elegance. Today's Flexibility.

With all the basics plus all the extras, you'll find it easy to create your classic office. The collection of desks, returns, and bridges seamlessly work with credenzas, bookcases, hutches, and more to meet the needs of individual office requirements.

And Jefferson keeps both employees and the entire facility in mind. Select from height adjustable units to better support shifting work modes throughout the day and the user's overall wellness, or expand the distinguished look of Jefferson outside the private office with reception units and meeting tables to capture tradition in any space.

Simply put, Jefferson is craftsmanship at its finest.

Details + Options:

Choose Jefferson with a hand-applied molding for a complete traditional look or find a modern flair with no molding.

All desk pedestals include an extendable pullout writing shelf, expanding the work area for immediate tasks at hand.

Hutch and bookcase doors have soft-close hinges, and offer Clear or Cracked Ice Glass, or Antique Brass or Aluminum Mesh Grille inserts.

All drawers come standard with dovetail, wood construction. Center, tray, box, and file drawers are also available with a soft-close option.

File drawers feature heavy-duty full extension slides that support heavy loads and provide entire drawer access.

Enhance your hutches with optional down lighting and glass shelving available on select units, including those with Glass and Mesh inserts.

Select from height adjustable units that allow for independent (2-Channel) or simultaneous (3-Channel) lifting of worksurfaces.

Create a consistent look throughout your office and entire facility with coordinating Occasional Tables, available in lamp, end, and magazine.

Surface Materials:

Premium Veneer, Standard Veneer + Laminate Options

Our veneer options feature our UV topcoat finish, UV Advantage. The result is a low-emitting finish that provides exceptional depth, clarity, durability, and chemical resistance throughout the life of the product.

* Available in Standard Veneer Only.
